Welcome To ValBase 2022

A Platform That Connects Corporate America With Our Nation's Future Leaders

The ValBase database was created by the High School Valedictorian Group. The goal of this innovative database of valedictorians is to begin the process of building a symbiotic relationship between America's 2022 valedictorians and the most dynamic corporations representing a variety of industries and postgraduate universities in our nation. Thousands of detailed profiles will be available for organizations to use for recruitment purposes, offering internship programs and part-time employment during their college years. This unique database is being offered to dynamic companies and organizations around the country to identify their future leaders. We are limiting this offering to only a select few in each type of industry.
